

EDEX '19
EDUCATION & ORIENTATION EXPO
NOVEMBER 13 - 16, 10 am to 8 pm

BIEL, Beirut

Thinking about Higher education, new Technology and trends?

If yes, then the wait is over as we, at Edex 2019, welcome you to the core of higher education, the realm of Technology, IT & Digital world.

Edex, in its third edition, has become an ingenious national event, not only a pioneer in the field of Global Education, but also a big source of IT, e-learning and digital innovations, this High-tech platform where qualified IT professionals network and novelties are introduced to those who thrive on the business technologies.

After two consecutive successful editions, this resourceful event will serve as gold mine for Overseas Education, with direct interaction between educational institutions delegates, students and undergraduates, who are serious about higher learning or the study abroad program, with a platform of more than 50 renowned universities across the region and more than 9000 visitors per day.

This large-scale fair will be held at the Seaside Arena Beirut, from 13 to 16 November 2019. Because at Edex, we tailor your career paths!
